

AGENDA MATTER:

RECOGNITION OF BARSTOW COMMUNITY COLLEGE ASSOCIATED STUDENT BODY

EXECUTIVE SUMMARY:

In October of 2008, the Associated Student Body from Barstow Community College hosted a "Meet the Candidate Night" event that took place at City Hall over the course of two days. The event was well organized and well received by the community. The ASB and all of its members are to be congratulated for their outstanding efforts and for taking interest in events that affect our community, and it is only fitting that the City Council take this opportunity to recognize them.

DISCUSSION:

The City of Barstow is proud of its local organizations and citizens and their accomplishments and contributions to our City. The Barstow Community College Associated Student Body (ASB), an organization run solely by the students at the college who serve as the official voice of the student body, is an outstanding group that contributes immensely to our community through its activities.

In October of 2008, the ASB hosted a "Meet the Candidate Night" event that took place at City Hall over the course of two days. This event was held for those individuals running for local elected offices for the Barstow Fire Protection District Board, Barstow Unified School District Board, Silver Valley School District Board, Barstow Community College Board and the City of Barstow City Council in the November 2008 election. This endeavor was the first ever student government organized event of this magnitude for all elected offices in Barstow and surrounding areas.

The event was well organized and well received by the community. It gave the students the opportunity to interact with leaders in the community. The ASB and all of its members are to be congratulated for their outstanding efforts and for taking interest in events that affect our community, and it is only fitting that the City Council take this opportunity to recognize them.

A proclamation will be presented to the Barstow Community College Associated Student Body and a certificate will be presented to each member of the organization.

RECOMMENDED ACTION:

Present proclamation to the Barstow Community College Associated Student Body and certificates to the members of the organization.
