Notes: In accordance with SB272, section 6270.5, this document is available on the City's website, [www.barstowca.org](http://www.barstowca.org), and may be requested by the Public at the City Clerks office. This document is updated annually.

For this document an enterprise system is a multidepartment system of record. This catalog excludes:

- (A) Information technology security systems, including firewalls and other cybersecurity systems.
- (B) Physical access control systems, employee identification management systems, video monitoring, and other physical control systems.
- (C) Infrastructure and mechanical control systems, including those that control or manage street lights, electrical, natural gas, or water or sewer functions.
- (D) Systems related to 911 dispatch and operation or emergency services.
- (E) Systems that would be restricted from disclosure pursuant to Section 6254.19.
- (F) The specific records that the information technology system collects, stores, exchanges, or analyzes.
