### **Barstow Beautiful ~ Presentation of Design Guidelines**

(City of Barstow – May 10, 2012)

The City of Barstow needs your participation and enthusiasm on Wednesday, May 16th in the City Hall Council Chambers from 6:00 p.m. – 9:00 p.m. as part of a series of community meetings to discuss how we can improve the look and feel of the community.

This will be the fourth community discussion that will be held to generate ideas from residents to help improve the look and feel of Barstow.

An integral component of the city beautification development process is public involvement. This request for public input is a great opportunity for local interests and residents to participate and share their insights and comments. As the planning effort progresses, additional opportunities for public participation will be provided.

The Community meeting will be focused on a ***“Presentation of Design Guidelines”*** that will illustrate the results of the input gathered from the community thus far.

For additional information about the event, contact Ava Reyes at (760) 255-5129 or Domingo Gonzales at (760) 255-5156, or visit the city website at [www.barstowca.org](http://www.barstowca.org).
