### **Mojave River Bridge at Riverside Drive – Temporary Traffic Control Alert Due to Bridge Inspection**

(City of Barstow – February 2, 2012)

On Wednesday, February 8<sup>th</sup> and Thursday, February 9<sup>th</sup>, at 7 a.m., the City of Barstow will be diverting all north and southbound traffic to a one lane traffic closure on the Mojave River Bridge at Riverside Drive. The traffic control measures are necessary to complete inspections by Caltrans to the bridge.

During this period of time, all traffic on First Avenue and Riverside Drive may experience some delays due to the one lane closure. All northbound traffic from Main Street will still be able to access the First Avenue Bridge over the BNSF Railroad. Those vehicles will have access to an open traffic lane on the bridge. In addition, the City will be posting a reduced speed limit of 25 mph in the construction zone.

If you have any questions, please contact the City's Engineering Division at (760) 255-5157 or (760) 255-5121.

The City of Barstow appreciates the community's patience and cooperation during the inspection.
