Re: ***Street Rehabilitation Project Scheduled for Completion – Temporary Traffic Delays and Traffic Alert***

The rehabilitation of various streets between Virginia Way and Mountain View Street is anticipated to be completed by Friday, November 4th. The final steps in completion of this project include the striping of the newly paved streets.

There are no scheduled road closures or detours anticipated at this time. The public is encouraged to adhere to any temporary traffic signs or signals which may cause some traffic delays.

The City of Barstow appreciates the community's patience and cooperation during this construction. If you have any questions, please contact Will Henderson, Engineering Technician for the City of Barstow at (760)255-5157.

For current road construction updates please log on to the City of Barstow at www.barstowca.org.
