NOTICE INVITING BIDS

Notice is hereby given that sealed bids will be received at the office of the City Clerk of the City of Barstow, 220 E. Mountain View St., Barstow, California 92311, before 2:00 p.m. on Tuesday, April 06, 2010, at which time they will be publicly opened and read for Project #: 2010-08 Emergency Sewer Repair Improvement Plans – Serrano Drive which consist installing 8" SDR-35 PVC sewer pipe, constructing manholes, and reconstructing of manholes.

The Engineer's Estimate of cost is \$74,000.00

To guard against premature opening of the bid, formal bid documents shall be submitted by bidder in a sealed envelope clearly labeled with the project title, name of bidder and date and time of the bid opening.

Said work shall be performed in strict conformity with the plans and specifications, therefore being Project No. 2010-08, now on file in the Office of the City Engineer. Copies of said plans and specifications may be obtained by prospective bidders from the City Engineer for a non-refundable fee of \$25.00 if physically picked up at City Hall or \$35.00 if mailing is required. The City of Barstow, in accordance with Title VI of the Civil Rights Act of 1964 (78 Stat. 252) and the regulations of the Department of Commerce (15 C.F.R., Part 8) issued pursuant to the advertisement will be awarded to the lowest responsible bidder without discrimination on the grounds of race, color, or national origin.

Each bid must be accompanied by a certified or cashier's check payable to the order of the City, or by a bid bond executed by a corporate surety authorized to do business in the State of California in the sum of not less than 10% of the total amount of the bid, as a guarantee that the bidder will enter into the proposed contract if it be awarded him.

The bidder to whom the contract is awarded by the City shall execute the contract and furnish a surety bond in the amount of 100% of the contract price guaranteeing the faithful performance of the contract and it shall remain in force for a period of one year after final acceptance. An additional bond for 100% of the contract price shall be furnished to secure the payment of claims for labor and materials furnished for the work.

The prime contractor and all subcontractors are required to pay their laborers and mechanics employed under this Contract, a wage not less than minimum wage classifications as specified in both the Federal and State Wage Decision when the Contract amount for the Prime Contract exceeds \$2,000.00. The contractor must post copies of the prevailing wage schedule at each job site. Copies of these rates of wages are available from the State of California Department of Industrial Relations, Tel. No. (415) 703-4774.

All bids are to be compared on the basis of the Engineer's estimate of the quantities of the work to be done.

No Bid will be accepted from a contractor not having the required license issued at the time of bids in accordance with the provisions of Chapter 9, Division 3 of the Business and Professions Code. Contractor's license classification required for this project is Class **A**. The City reserves the right to retain all bids for a period of 45 days for examination and comparison, and to delete any portion of the work from the contract. The City reserves the right to reject any and all bids and to waive any informality in such bids, or to make awards in the best interest of the City.

Ten percent (10%) will be deducted from each progress payment and retained by the City and the remainder less the amount of all previous payments will be paid to the Contractor.

Pursuant to Public Contract Code ("PCC") §22300, the Contractor may substitute securities for the retention monies held by the City or request that the City place such monies into an escrow account. The Contractor is notified, pursuant to PCC §22300, any such election will be at the Contractor's own expense and will include costs incurred by the City to accommodate the Contractor's request.

Contact Nick Nichols, at (760) 255-5154 for technical questions or the Engineering Division Receptionist at (760) 255-5151 to request plans and specifications.

DATED this 31st day of March, 2010
