

IMPORTANT INFORMATION

CORONAVIRUS (COVID-19) INFORMATION

Drive-Through Testing

Arrowhead Regional Medical Center (ARMC) will be holding several drive-through COVID-19 testing clinics. These are open to the public; however, appointments will be required for testing.

How Do I Make an Appointment?

- To make an appointment, please call the ARMC Referral Center at **1-855-422-8029**.
- An ARMC representative will ask you a series of screening questions to determine if you are appropriate for testing. If appropriate, that representative will schedule your testing.
- Someone from the ARMC registration office will call you after you have been scheduled to pre-register for your outpatient laboratory test.
- Please arrive approximately 15-20 minutes early for your test to get into the drive-through line.

How Does the Test Work and What Do I Need to Bring?

- Once you arrive at the test site, remain in your car with the windows closed. You will enter the ARMC campus off Meridian Avenue and follow the signs for the COVID-19 testing.
- ARMC Registration will be the first to greet you at your car. They will confirm your appointment and **scan your photo identification and insurance card. Please make sure you bring both those documents with you.**
- At (or near) the time of your appointment, you will drive up to the ARMC Outpatient Entrance. **While still in your car**, ARMC nursing staff will come to you to perform the test.
- Once the test is complete, you are done. Please exit the campus via Pepper Avenue.
- At all times, please remain in your car with the windows up unless directed by a member of the ARMC staff.**

How Will I Know my Results?

- Once ARMC receives the results from our off-site laboratory, a member of our medical staff will call you with your results and any recommendations. If, you have signed up for the ARMC patient portal, your results will also show up in the portal.

CORONAVIRUS (COVID-19) INFORMATION

IMPORTANT INFORMATION

Drive-Through Testing

Where is the Drive-Through Testing Located?

The Drive-Through testing will be conducted at the outpatient building entrance on the ARMC campus. **The entrance for the Drive Through Testing will be on Meridian Avenue at the back of the ARMC campus.** Once you enter the campus from Meridian, please follow signs for the COVID-19 Drive-Through testing.

ARMC Physical Address is 400 N. Pepper Avenue, Colton CA. 92324
